

BECOME A CASA VOLUNTEER CHANGE A CHILD'S STORY.

→ Help Children in Need

Children in the San Juan County children's court system need your support and advocacy. CASA Volunteers build relationships with children who have suffered abuse or neglect and, alongside the court, ensure they are provided with needed services and placed in safe, supportive homes.

→ You Can Make a Difference

After you complete training, you will be assigned a child to work with. You will meet with the child monthly and talk to their support team. Then YOU will be the voice of the child in court as you make recommendations to the court that are in the child's best interest.

→ You Can Help Change a Child's Story

JOIN US! Since 1996, Childhaven's San Juan County CASA volunteers have advocated for hundreds of abused and neglected children in our community. In just 10 hours per month, **YOU can make a real difference in the life of a child in San Juan County.**
